

Landscape Designer/Planner (Entry-Level)

Landmark Design is a small, award-winning landscape architecture and planning firm located in Salt Lake City, Utah. Founded in 1987, we are a forward-thinking group looking for an individual committed to the practice of Landscape Architecture, but willing to explore the edges of the profession. We are first and foremost landscape architects, with a diverse resume in landscape planning and design, urban design, site analysis, land use and community planning, and public involvement. We invite you to visit our website at www.ldi-ut.com to see some of our outstanding projects, and to get a feel for our company culture.

Skills Required

We are looking for a candidate with strong design and communication skills, an ability to work in collaborative team settings, and familiarity of Great Basin and Rocky Mountain settings. Candidates must demonstrate a solid understanding of landscape architecture - from planning and conceptual design through construction document preparation. Interest and skills in community planning and urban design is a definite benefit. Skills in the following are essential:

- AutoCAD and Land FX
- 2D and 3D Graphics (Sketchup, Hand Sketch)
- Adobe Suite (Photoshop, InDesign, Illustrator)
- Mapping (ArcGIS)
- Preparation of Construction Documents
- Writing and Organizational Skills

As a dedicated member of our team, you will be rewarded with growth opportunities, great projects, and attractive benefits. You will collaborate with our experienced staff to create vibrant parks, plazas and streetscapes, in addition to planning and designing communities and regions. You will be involved from preliminary planning through construction, providing conceptual design drawings, preparing construction documents, and participating in community workshops and client coordination meetings.

Compensation

Based on experience and qualifications. Landmark Design offers competitive salaries and benefits, health insurance, paid vacations, holidays and sick leave, contributions to retirement programs, assistance with professional licensing and certifications, partial remote work and flexible work schedules.

Education Requirements

Candidates must have a degree in Landscape Architecture (BLA or MLA) from an accredited institution. If interested, please portfolios including your resume, a maximum of five (5) work samples, and a personal statement to Sam Taylor at samt@ldi-ut.com. Please put in the subject line of your email: "Entry-Level Landscape Designer/Planner Position."

Application Deadline

Open until filled.
